

2005 - Another successful Financial Year for Flux A/S

Asnaes, Denmark March 2006

The 2005 annual report has just been completed showing that 2005 has been another successful year for Flux A/S.

The year-end result is well above the expectations despite significant investments made in new IT-platform and equipment. Increased market penetration and improved efficiency mainly drive the success.

The improved result will be invested in further developments of organisation and markets.

Flux continues the positive trend with another successful financial result.
